**Non-traditional Student Scholarship**

Cosmopolitan Women's Club (CWC) is proud to announce our offering of college scholarships to non-traditional students. Non-traditional students sometimes fall outside of the preconceived norms for college-bound students. Many students choose to postpone college or move directly into the workforce bypassing a university education altogether. It is only later that they decide to pursue a higher education, either to improve their professional opportunities, or to expand their general knowledge. Still other students may have had their college careers interrupted, either by growing families or financial difficulties, and only later return to complete what they had started. Many non-traditional, or returning, students can feel left out of the scholarship equation. CWC recognizes this need in the community and are excited about this opportunity to support non-traditional students.

**Non-traditional students are classified as:**

- Single parents: single mothers or single fathers
- Adult learners
- Students who didn't go directly to college after graduating high school or receiving their GED, and who are starting their higher education later in life
- Students who have experienced an interruption in their higher education for some years, and are returning to complete their degree

**The following factors will be considered for each applicant:**

- Personal circumstances and achievements
- Challenges faced in life
- Educational and career goals
- Financial need
- Impact of scholarship

**Important Dates:**

- Scholarship period begins **February 1, 2020**
- Application period ends **April 30, 2020**
- Award recipients will be notified by **May 22, 2020** via email and/or phone call
- Scholarship program will be held **Saturday, June 20<sup>th</sup> 9-11am** at Elmira College's Meier's Hall
  - Scholarship award recipients should attend the program or send a representative to avoid forfeiture of the award. Special circumstances will be considered.
